		RV4094-LW		44

Complete sets of stake racks include a rack installation kit. If individual rack sections are ordered, refer to Kits in Stake Rack Options. 6" and 15.5" rack sections have no rack connectors at the top, and 6" and 15.5" sections may be intermixed. Steel stake rack sections are available in prime paint as an option (add "-P" as suffix to model number), no deduct.
