D&W series 89" wide service bodies are not compatible with any dual rear wheel 1999 & later Ford Super Duty Chassis cab. Use of a Standard Service Body in a medium duty application may require the modification of the fenderskirt and the installation of fenderettes to maintain adequate tire clearance. See option index for ordering fenderette kit. Units are assembled and have prime paint exterior and interior

Prices include the following standard features:

- Automotive style rivetless rotary latches
- gas spring door retainers on all vertical doors
- One (1) 12" slam tailgate, installed

Compartment shelving and accessories:

- Two (2) adjustable divider shelves & dividers, street side front vertical compartment
- Two (2) adjustable divider shelves & dividers, street and curb side second front vertical comp. (132" bodies only).
- One (1) adjustable divider shelf & dividers, street and curb side rear vertical compartment
- One (1) adjustable divider shelf & dividers, curb side horizontal compartment.

Transverse compartment in curb side front vertical extends to compartment back on street side.

- Models with 40" body height have three (3) drawer (250 lb. rated) unit with hemmed dividers.
- Models with 36" and 37.25" body height have two (2) drawer (250 lb. rated) unit with hemmed dividers.
