

CRANE BODIES

Model	Net Price	Applicable Models	Dimensions							Net Weight (lbs)
			Max. Crane Rating	CA	Body Length (nominal)	Body Height	Body Width	Comp. Depth	Floor Width	
6132DL-30		15,000 GVWR chassis up to 19,500 GVWR with 19.5" dia. rims (max. 34" tire dia.)	30,000 FT-LBS	84"	132"	40"	94"	20"	54"	2612
6132DLR-30		15,000 GVWR chassis up to 19,500 GVWR with 19.5" dia. rims (max. 34" tire dia.)	30,000 FT-LBS	84"	132"	40"				2675

Units are assembled and have prime paint exterior. Price excludes mounting kits shown below which must be ordered separately. Bumper must be ordered separately. Crane compartment top plate is pre-drilled to fit Autocrane 5005 models, IMT 2020, 5005i, 2820 and 3020 and Liftmoore 2550, 2525 and 5000. Holes in top plate are .94" diameter and must be reamed to 1" diameter for IMT 2830 & 3020 cranes. Optional top plates are available for Stellar 5520 & EC5000 and Ventura 18K & 25K cranes, see Option Fit options.

CRANE BODY MODEL NUMBER CODE: R denotes curb side raised front compartment 60" tall with single door and 30 denotes crane rating 30,000 FT-LBS.

Prices include the following:

- Stainless steel full-length continuous hinges
- Rivetless rotary latches
- Double spring over center door retainers on all vertical doors
- Automotive "bulb type" neoprene door seals
- Two (2) adjustable divider shelves & dividers both sides first and second front vertical compartments except raise front vertical has no shelves
- One (1) adjustable divider shelf & dividers in curb side horizontal compartment
- One (1) adjustable divider shelf & dividers on street side rear vertical
- One (1) fixed shelf near center of crane compartment for mounting outrigger control valves
- Drip pan shipped loose for installation under crane
- 5" tall 7 gauge torsion box floor with wheel housings in cargo area
- Light mounting holes for Knapheide proprietary light
- Knapheide proprietary lights including 6-circuit wire harness, stop/turn/tail, backup, marker, clearance and RID lights (shipped loose) *
- Bolt on Slammable tailgate installed.

* NOTE: Included harness requires 6-circuit harness adapters for chassis other than Ford Super Duty Cab Chassis. Harness is plug compatible for Ford Super Duty Cab Chassis.

NOTE: 132" long bodies will not fit 2003-2009 GM C4500/5500 84" CA chassis with 40 gallon or larger single rear fuel tanks. Bodies used in medium duty applications may require fender modifications for tire clearance. Outriggers rated for the capacity of the crane are required on this crane body.

Crane Body Mounting Kits (order separately)

Part Number	Net Price	Kit Application
26115592		30 series crane bodies on 2008 or later Ford Super Duty F450/550. Kit includes front shear plates, mounting hardware and installation instructions.
26115600		30 series crane bodies on 2007 & later Dodge 4500/5500 84" CA. Kit includes Dodge front shear plates, mounting hardware and installation instructions.
26115618		30 series crane bodies 2006 & later GM C4500/5500 regular and crew cab and medium duty chassis. Kit includes front shear plates, mounting hardware and installation instructions.
