

### PRODUCT INFORMATION

This upgraded version of the **Knapheide fixed van shelving package BP666-62** is designed to help general service providers better store, organize, access, and secure the tools, equipment and materials they use on the job. This system is compatible with the van makes, models and configurations listed below and potentially others depending on their body length and roof height. A typical work van setup enables technicians to transport essential cargo, empowering them to efficiently handle a wide variety of on-site tasks, including installation, maintenance, repair, troubleshooting, diagnostics, inspections, consulting, and more.
