KNAPHEIDE VAN EQUIPMENT

PARTITIONS

Knapheide Partitions divide your work van into two separate zones: the passenger area, which doubles as a mobile office, and the cargo area for storing parts and tools. In the event of an unplanned stop, Knapheide Partitions offer an extra level of safety and security. Knapheide Partitions are contoured to fit each van and conform to the B-pillar trim and headliner in the van and are constructed of 1/4" ABS thermoplastic, which has mechanical properties of impact resistance and toughness.

ROOF MOUNT RACKS

Knapheide Roof Mount Racks are available in a wide variety of configurations, featuring End Stop, Clamp, and Rotation Drop-Down options. Powder coated aluminum construction provides a rust-free, professional appearance. The ergonomic design reduces the force needed to pull the handle and rotate the ladder up or down, thus reducing potential for accident or injury.

KNAPHEIDE VAN EQUIPMENT

FIXED SHELVING

Knapheide fixed shelving is a robust, durable van shelving system that creates an organizational solution for your van. The modular design allows for flexibility in both configuration and layout. Knapheide's fixed shelving modern appearance compliments both the current and new generation of commercial vans.

Tough, steel end panels feature a formed, channel construction, both front and back. Coupled with the proprietary spring nut, this design creates a very rigid, strong shelving system.

End panels include pre-punched slots which allow for attaching end panel accessories as well as improve the aesthetics of the product.

Fixed shelving is adjustable to accommodate the customer's storage needs and allow for added flexibility.

Allows for the ability to mix and match different shelving modules when configuring your van.

Fixed shelving can easily be upgraded with Boxes and Accessories to create vocational solutions.

FOLD DOWN SHELVING

Knapheide fold down shelving is designed for parcel delivery applications. Fold Down Shelving was designed to be easy to use. Each shelf can easily be operated with one hand to fold it up or down. Shelving is available in multiple heights and widths to fit all configurations of cargo vans in the North American market.

Shelves can be adjustable up and down in 2" increments

Each shelf is retained by a pair of robust gas props. These props assist in folding the shelf up and down and also hold the shelf in place in each of these positions

Shelves can be folded down to hold small to medium size package and can also be folded up and out of the way to be able to have more space for larger and taller packages

Each shelf has a max load rating of 250 lbs. evenly distributed

KNAPHEIDE VAN EQUIPMENT

BOXES

Boxes help you organize your equipment and transport it to your work site in the most efficient way possible. Adding boxes to Knapheide shelving offers a truly unique solution for both Organization and Mobility. Choose from a variety of Boxes to complete your storage needs.

Boxes allow users to be organized both on the vehicle as well as off the vehicle

Different styles are available, offering different levels of organization and mobility.

All Boxes are interchangeable and securely lock into shelving for safe transport.

ACCESSORIES

Customize your storage space with a variety of drawers, doors, dividers, hooks, storage pockets and more to create a personalized work environment that makes you more productive. Accessories have a vocational focus and each one has a specific function to make storage solutions easy.

Accessories create additional storage solutions by securing items to end panels, shelves, etc.

Dedicated solutions for storing cables, tools, hoses, tanks, etc.

Having the right tools and parts easily accessible is a productivity enhancer on the job site.

NEVER SETTLE

If you are going to be a leader, it takes more than building a high-quality product. It means never being totally satisfied with that product, no matter how high quality it may be. It requires constant vigilance and a willingness to take a chance on something new. And it means exceeding expectations every time. As the industry changes, one thing never will—our commitment to making customers like you as productive and efficient as possible. We know you don't settle, and we don't either. That's why we want you never to settle for anything less than Knapheide on the back of your truck.

KNAPHEIDE. NEVER SETTLE.
