

The EZPS-KIT includes 2 ProSafe lashing points, 2 backing plates and mounting screws and nuts.

NOTE: ProSafe strap sold separately. Suitable for use with straps 1000000222 & 1000000224.

1000002820 HARDWARE KIT		
QTY	PART #	DESCRIPTION
4	71004896	SCREW (M6 X 16)
4	71003884	PAWL NUT (M6)

1. Determine desired location for the EZPS-KIT. Be sure to locate the ProSafe lashing points at the same grid height on both the left and right end panels.

NOTE: The EZPS-KIT can be installed in any open area of the Shelf Staxx.

2. Insert screws through the ProSafe lashing point, end panel and backing plate.

NOTE: EZPS-KIT should always be used with the backing plates.

3. Tighten nuts down onto backing plate.
